All coaches / managers must have a current copy of the COVID-19 safe plan with them when playing or training.

You will play your games in the same area each week.

If you are playing on the bottom fields park parking areas closest to the bottom fields and enter and exit fields as per diagram.

If you are playing on the Don Waring fields, you will park on the dirt carpark and enter and exit the fields as per diagram.

Top fields you will park in the sealed carpark and enter and exit the fields as per diagram.

Sign in at the designated sign in area at your entry point, sanitise and proceed directly to your field of play.

Keep 1.5m distance between yourself and anyone other than a member of your household. (Only exception to this rule is players during play or training.)

Games will be a 30 min touch down turn around format.

Upon completion of your game you must leave via the exit point.

Each player must arrive no more than 5 mins prior to the game and ready to play or train.

Each team must nominate a minimum of 2 designated referees. Each referee will be issued with a whistle and it is their responsibility to bring it to all rostered referee duties and sanitise after use.

Each referee will collect and return the ball to tournament control prior and upon completion of the game.
